

Hamza Ali

BS Artificial Intelligence - 8th Semester

Skills: Python, Machine Learning, Deep Learning, TensorFlow, PyTorch, NLP, Computer Vision, Generative AI, LangChain, RAG, AI Agents, Hugging Face, Docker, AWS, SQL, Git, GitHub

Certificates: Machine Learning, Generative AI Fundamentals, Deep Learning Basics, Prompt Engineering, AWS Fundamentals

AI Chatbot

Developed an AI chatbot using Python and AI technologies.

Machine Learning Prediction System

Built a machine learning model for prediction.

Deep Learning Project

Used TensorFlow to create a deep learning application.
